Carnivorous Creations

Purple Pitcher, Cobra, and the deceptively sweet sounding Sundew plant are but 3 of the 10 flesh eating plants that make up this terrarium. This kit comes with everything you need to strike fear in the hearts bugs everywhere. In 1 month your plants will be making the world a better place, one dead fly at a time.

Kick it Carnival Style with homemade cotton candy

Be a hero at your next BBQ or Kids birthday party with this old school cotton candy maker. Multiple flavors and easy to use mixes means you'll be getting sugared up in no time. Cool retro styling makes this guy look as good as the cotton candy it produces.

Motorized Grill Cleaning Brush

Give the Grill Master in your life the gift of cleanliness. 4 C batteries combined with brass bristle brushes means this thing is not kidding around. Integrated scraper for tough spots and ergonomically designed controls for ease of use. Show the grease who's boss with this handy gadget.

ABC3D

Ok, we all know that pop-up books have a slightly shorter lifespan than the average housefly when kids are around. But they sure are fun for everyone while they last! This book is not only an astonishingly intricate pop-up book, it also teaches the alphabet in a fun and exciting way. Kids of all ages are sure to find this gift a winner.
